

Naperville Garden Club

Garden Walk

Saturday, June 25

10 AM to 3 PM

Stroll through our five featured gardens and let your senses come alive with the colors and fragrances that surround you.

Wander through a rain garden, a garden with hardscape features, a sand garden, a certified wildlife habitat, etc., while viewing their stunning flowering annuals, perennials, wildflowers and beautiful woodland foliage. One of these gardens was featured in Chicagoland Gardening while another was on HGTV.

A club member artist will be painting in one of the gardens. There will also be vendors selling grilling and outdoor entertaining products, garden art, hanging baskets, jewelry, and designs in concrete for you to enjoy.

After or in between your tour, stop by The Growing Place in Naperville. They are hosting a Gardener's Art Fest and have an exciting program of music, guest lecturers, refreshments, etc.

This self-guided walk is a fundraiser for the Naperville Garden Club. Tickets are \$10 in advance and \$12 on the day of the event.

The Naperville Trolley will also be available to ride to all the gardens for an additional \$21. Advance trolley reservations are required with limited seating available.

Call early to reserve your spot.

Contact Anna Marie, 630-375-9262, for more information, advance tickets for the garden walk and trolley reservations.

Tickets on the day of the event will only be available at 717 S. Whispering Hills Drive.
